

Class Supplies List

Class Name: AP Calculus

Instructor: Traci Arquette

Items

A graphing calculator is required. Recommended models with which the teacher is familiar include Texas Instruments TI-83 Plus, TI-84, TI-84 Plus, and TI-Nspire (which has interchangeable 84 and the Nspire keyboards). Be sure to keep the booklet/guide that accompanies your calculator.

Math binder (for math only): Sturdy, 3-ring, with inside flaps.

White, loose-leaf, lined paper; no spiral paper. Keep a steady supply!

Graph paper.

Plenty of pencils - mechanical or regular. All work is done in pencil.

3 red pens for grading.

A good eraser.

Book cover – **just cover with thick paper**; stretchy covers are allowed as long as they are designed for a large book and don't damage the cover by bending the corners in or breaking the binding. No sticky paper, please.

Please replenish paper, pencils and red pen at the end of each trimester.
