

S.L.A.M.-B.A.M. SUMMER MATH LOG

Students may count any minutes spent on math or problem-solving activities (i.e. strategy games, tangrams, measuring) from workbooks/sheets or online resources. Some online resources may be found on the school website at <http://www.lenawee.org/academics/math-exercises.cfm> or www.aplusclick.com.

Students **MUST log the minutes** spent in math and problem-solving activities **on this log sheet**, and the **signed** log must be given to their teacher on the **first day of school** to qualify for the SLAM-BAM points.

Please do not turn in any completed math work. Only the log is needed.
